STEWARDSHIP

MONTH

The Board set a goal to develop a plan that supports long term financial stewardship in St. Andrew's.
Thanks to some enthusiastic volunteers we have an action team that is working on just that.

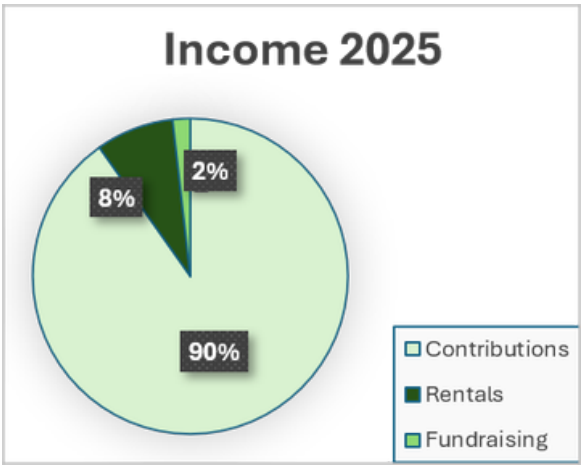

Financial Stewardship Team Goals:

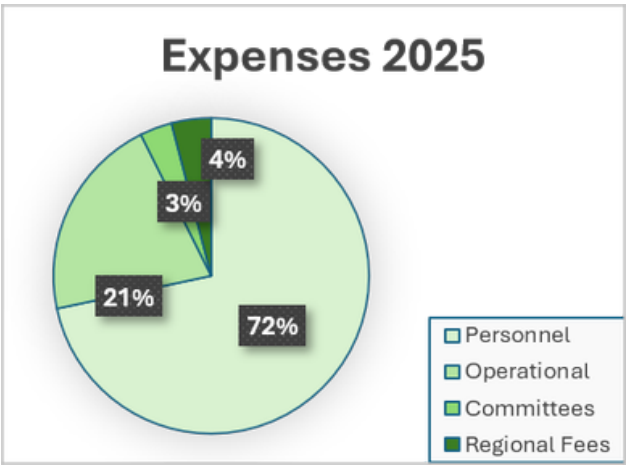

GOAL 1 **Build a financial infrastructure that support long term financial sustainability.**

GOAL 2 **Increase the congregation's knowledge and understanding of the current financial situation.**

GOAL 3 **Demonstrate our gratitude for the stewardship received and the impact it has made.**
